Polansky Seed

Producer

Washington, KS

Location

PLANTED: 05/17/2019

HARVESTED: 10/26/2019

PRODUCER: Polansky Seed

PREVIOUS CROP: Soybeans

POP: 26,000

AVERAGE: 201.4

- XP: Experimental Hybrids
- Percentages are percent of test average
- Each yield is adjusted to 15.5% moisture
- Plots are planted by relative maturity
- Yields are adjusted from the two nearest checks to accommodate for variability within the plot
