RK937VT2P	113	187.8	97%	8
RK965VT2P	116	192	99%	6

AVERAGE: 193.9

- XP: Experimental Hybrids
- Percentages are percent of test average
- Each yield is adjusted to 15.5% moisture
- Plots are planted by relative maturity
- Yields are adjusted from the two nearest checks to accommodate for variability within the plot
