| <i>TEST AVERAGE BU/ACRE:</i> | | | | 51 | 60 | 53 | 69 | 59 | 56 | 55 | 67 | 66 | | | | | |

- Percentages are percent of test average
- Each yield is adjusted to 13% moisture
- Plots are planted by relative maturity

- Yields are adjusted from the two nearest checks to accommodate for variability within the plot
